Hey There! Public Charter Schools Offer:

Tuition-Free

General or Specialized Curriculum

Independent from Government

Public Charter Schools are tuition-free and publicly funded, but operate independently from the government, allowing them to implement unique programs and teaching approaches. These schools are open to all students regardless of geographic area and must have an overseeing authority to ensure academic standards.

## ★ REINVENTED HIGH SCHOOL, LIFE-CHANGING MODEL★

Vita Schools of Innovation is a micro high school that empowers young adults to prepare for life and realize their dreams now, using the best practices from around the world.

Vita's purpose is to globally redefine education through an empowering high school model that transforms lives through passion, compassion, and life skills. We're a nonprofit, tuition-free hybrid school, reimagining what the high school experience can look like. For 9th-12th grade, ages up to 22.

### Three things that set us apart from the average high school:

- 👉 We help achieve dreams
- 👉 We prepare for the real world
- 👉 We provide a compassionate 1:1 learning experience

#### Student Experience:

- **Personalized Learning:** Students take charge of their educational journey, setting personal targets and managing their coursework with flexibility. FOUR DAY SCHOOL WEEKS! (Tuesday-Friday). One-on-one weekly coaching!
- **Varied Learning Styles:** A blend of teamwork, independent study, and classroom learning tailored to each student's needs.
- **Life Skills Focus:** From financial literacy to physical health, Vita prepares students for all aspects of adult life.

I just want my boys to be happy and no better place than here.

#### Curriculum Highlights:

- **Purpose and Life Curriculum:** Inspired by thought leaders in personal development, this curriculum encourages students to explore their interests, set goals, and engage with the community.
- **Practical Life Curriculum:** A favorite among parents, this segment teaches essential life skills in finance, social-emotional learning, physical health, and workplace readiness.
- **Academic Excellence:** Through partnerships with **Institutions like ASU**, Vita offers a robust in-person and online curriculum, project-based learning, and enriching field trips.

because here at Vita, you can pursue a more lively education and your dreams.

#### Key Features:

- **Personalized Attention:** With a 16:1 student-educator ratio and weekly 1:1 coaching, each student receives individualized support.
- **Student Empowerment:** Student-led clubs, exhibitions, and mastermind teams encourage leadership and peer collaboration.
- **Compassionate Environment:** Educators at Vita prioritize understanding and kindness, ensuring a nurturing learning atmosphere.

Vita is more than just an educational institution; it's a place where students grow, learn, and prepare for the future in a supportive and dynamic environment. **Discover the Vita difference and help your child thrive! APPLY TODAY!**
